That no one find eternal loss  
Without the offer of His cross

# PSALM 91

*Andrew Panoho*  
© 2007 Maunga Music

1 He who dwells in the shelter of the Most High  
will rest in the shadow of the Almighty. [a]

2 I will say [b] of the LORD, "He is my refuge and my fortress,  
my God, in whom I trust."

3 Surely he will save you from the fowler's snare  
and from the deadly pestilence.

4 He will cover you with his feathers,  
and under his wings you will find refuge;  
his faithfulness will be your shield and rampart.

5 You will not fear the terror of night,  
nor the arrow that flies by day,

6 nor the pestilence that stalks in the darkness,  
nor the plague that destroys at midday.

7 A thousand may fall at your side,  
ten thousand at your right hand,  
but it will not come near you.

8 You will only observe with your eyes  
and see the punishment of the wicked.

9 If you make the Most High your dwelling—  
even the LORD, who is my refuge—

10 then no harm will befall you,  
no disaster will come near your tent.

11 For he will command his angels concerning you  
to guard you in all your ways;

12 they will lift you up in their hands,  
so that you will not strike your foot against a stone.

13 You will tread upon the lion and the cobra;  
you will trample the great lion and the serpent.

14 "Because he loves me," says the LORD, "I will rescue him;  
I will protect him, for he acknowledges my name.

15 He will call upon me, and I will answer him;  
I will be with him in trouble,  
I will deliver him and honor him.

16 With long life will I satisfy him  
and show him my salvation."

He makes me lie in pastures green

## **E G A rif repeating**

### *Chorus*

*What you will sow you will reap  
The hand that feeds your soul is your master  
This is the law, this is the law, this is the law*

Liberal hearts and misguided minds  
looking to the good in a fallen mankind  
Hoping to evolve to the stars  
but stuck in the mire of our selfish desires

### *Chorus*

As a city without it's walls courts destruction,  
So a soul without the law it breeds rebellion  
Bring a child into the world, and feed him all your love  
But don't forget to build respect and teach him right from wrong

### *Chorus*

Society is rotten to it's core  
we have no basis to choose right from wrong anymore  
By living our lives only for ourselves  
We are slaves to our lusts and the powers of hell

### *Chorus*

In life there is no such thing as a vaccum,  
As a failure to rebuke is to welcome  
Abdicate authority 'n someone else will take your place  
The seeds we sow will one day grow revealing our mistakes

Over and over the world it turns  
Tossing in a sleepless night  
The sun reads the stars to find the truth.

Yes creation groans subject to frustration  
Waiting patiently  
For the sons of man to be revealed

And somewhere between future and past  
Stationed at the centre of time  
Light enters into the realm of man  
The cycles and seasons of the mortal mind

Yes creation groans subject to frustration  
Waiting patiently  
For the sons of man to be revealed

Pumkin reds in the dead of night, your cauldron black awakened by 6.00 am jets  
white webs weaving across London sky.

Sometimes your thoughts I feel,  
Sometimes your words I steal,  
Sometimes....

The summer birds call above the leaves in rising hum of a whistling breeze  
All before the busy steps of man begins below.

Sometimes your eyes are seas.  
Swim amongst the mysteries  
Sometimes....

There is a parked car aside the rivers edge with skant dew saying goodbye Bens  
shadow towering overhead casting long and high.

Sometimes your waking sighs  
are breathes of strength into my mind  
Sometimes...

Kensington Trafalgar Square walking A-Z, a million minds, a million cares

So little time to loose, as life disappears  
A million minds, a million cares  
So little time to loose, as life disappears  
Sometimes

# THE CREED

Andrew Panoho  
© 1994 Maunga Music

oh, oh, oh, (x 6)

I do believe in one Father God, maker of heaven and earth, seen and unseen.  
I do believe Jesus Christ his Son, co-equal with the Father and begotten from  
eternity

*God of God  
Light of Light.  
Very God of very God*

*What do you believe?  
What do you know?  
Where have you come?  
Where will you go?*

I do believe for mans salvation Gods only Son left his heavenly station and entered  
humanity.  
I do believe in the mystery - the Word becoming flesh of the Virgin Mary, incarnate  
by the Holy Ghost

One way to the Fathers throne,  
Through the life of Christ the Son,  
*He was born a man that he might lead the Way*  
He was crucified he suffered pain,  
To meet the judgement for our sin  
*He died Gods Son to open up the Way.*  
The third day Jesus rose again  
And ascended up into heaven  
*He lives the risen Lord the only Way*  
He will come again in glory  
To judge the living and the dead  
*He rules the King eternally the Way*

*Haka:* "For God so loved the world that he gave his only Son  
that whosoever believes in him shall not die but have eternal life"

*Chorus*

I do believe in the Holy Ghost, co-equal with the Father and the Son as the Lord of  
Hosts,  
I do believe he is the giver of life, who with the Father and the Son is worshipped  
and glorified.  
Chorus
